WORK EXPERIENCE

2023
July

INTERNSHIP - Corporate Branding

Collaborating effectively within team environments, I have gained valuable experience across diverse projects, **adjusting my approach based on feedback from supervisors.** My work there regrouped a wide spectrum of projects, ranging from **hospitality establishments to religious institutions to telecommunications firms.**

2023
May

FREELANCE - Designed posters for a restaurant in LONDON

As a **graphic design freelancer** for Zaata, a renowned **Lebanese restaurant in London**, I collaborated closely with the owner to **craft captivating posters** showcasing various menu offerings. With an understanding of the restaurant's identity and the owner's vision, I adeptly offers into visually compelling designs.
